Cuban Filibuster Put In at
Southport.

MORE THAN A SHELL.

Has Been on Fire and Is
Well Cleaned Out—Captain Cook
Overboard and Was Drowned.
Gold Is Believed to Be at the
Bottom of the Fire.

GREENCASTLE, N. C., May 21.—The
steamship Horsia, the vessel
has become notorious as an al-
ban filibuster, put in at South-
port, the mouth of the Cape Fear
yesterday. She had been on fire
pretty thoroughly gutted, be-
cause more than a shell. She

fruit May 18. Fire broke out
Greencastle on the 16th and was

She was then 300 miles from
Bahama islands.

tain Cook of Calais, Me., who was
missing between 3 and 4
in the morning of the 18th. It
was that he fell overboard and
drowned. He was 50 years old, a
man and leaves a family. The
vessel consisted of 20 men, seven of
whom were Spaniards. Charles E. Mc-
Donald, mate of the Horsia, brought

think that Spanish gold is at the
bottom of it.

CANADA WANTS CRUISERS.

of the Cost of Coast Defenders
Have Been Made.

WASHINGTON, N. S., May 21.—The scheme
of defense which is being prepared
by the Canadian government
estimates that three cruisers would
be necessary to the Atlantic to cover the
St. Lawrence and coast waters
of Scotia and Bay of Fundy.
It is that the United States is
developing a strong navy on the
Atlantic, with headquarters at New
Boston and other ports, and is
sidizing merchant steamers built
by requirements of the United
States.
The case of the new Plant
La Duchesse, is quoted as an
example of this. The danger from such
ships is said to be one that must be
met against by the construction of
ships.
A fast American cruiser
from Boston to St. John, Yarmouth
Halifax and Prince Edward is
an intimate knowledge of the
vessel and will be in a position in time
to one after another to destroy
the output of Nova Scotia, or lay
under ransom. This is the situation
which it is understood will be out-
come of the coast defense scheme.

Banker Quietly Liberated by
Judge Goodland.

been found that an order discharging F.
Conrad, ex-president of the Plankinton
bank from custody has been entered.
The order, which consists of but a few

it was found Mr. Day not guilty, on
the ground that District Attorney
Brazee chose to try him, Mr. Brazee
has been discharged, for the
reason he stated, that he desired to
have the other count of the indict-

and district attorney had selected

and having been cleared by the jury,
he was entitled to a discharge.

RETIRING BISHOP TALKS.

He Has Kindly Feeling For the Dele-
gates and Apologies for Conference.
CLEVELAND, May 21.—Yesterday's
session of the Methodist Episcopal gen-
eral conference was devoted to the trans-
action of routine business which was
sandwiched in between the ballots for
the election of two agents of the
book concern, each for New York and
Cincinnati, and two agents of the Mis-
sionary society. The conference did
not lose any time.
An incident of the session was an ad-
dress by retiring Bishop Foster that

EX-BISHOP FOSTER.

was full of kindly feeling for the dele-
gates and of apologies for the action of
conference in voting him non-effective.
Bishop Foster said that since his retire-
ment he had been flooded with telegrams
and letters of sympathy in which the
action of the conference was character-
ized as an outrage and as cruel and
brutal. In some of them the word
"humiliation" occurred.

He said he had been 59 years a min-
ister of the Methodist church. He had
never consciously done anything for
which he should be humiliated, nor had
any brother in the ministry or laity
done anything which humiliated him.

He said the writers of the letters of
sympathy did not understand the econ-
omy of the church, which provided that
the time must come in every man's life
when he must be superannuated. That
was what had happened to him. He be-
lieved the hearts of the delegates were
affectionately disposed to him and that
their action was for the best. He would
go into retirement with the kindest
and most loving remembrances and
without feelings of resentment.

As Bishop Foster concluded, Bishop
Bowman arose and said, "All that I
desire to say is amen."

cussed for some time, and most of the
distillers have about reached a point
where they are willing to sign an iron-
clad agreement in this respect.

rying \$10,763,888, or \$4,918,051 More
Than the House Appropriated—Mr.
Gorman and Mr. Sherman Indulge in
an Animated Financial Debate.

WASHINGTON, May 21.—After two
days' debate the house yesterday, by the
overwhelming vote of 195 to 26, passed
the Bartholdt-McCall immigration bill
as modified by the Corliss amendment.
The Stone consular inspection bill, which
was offered as a substitute, was defeated
175 to 131. The bill as passed adds to
the classes of aliens excluded from ad-
mission to the United States all male
persons between the ages of 16 and 60
years of age (except parents of persons
living in this country) who cannot both
read and write English or some other
language. The Corliss amendment
added to the bill excludes aliens who
come across the borders year after year

with no intention of settling therein. It
will declare all labor contracts with

SENATE PROCEEDINGS.

Fortification Bill Passes Carrying \$10,-
763,888—Animated Debate.

WASHINGTON, May 21.—The senate
yesterday defeated a proposition by Mr.
Gorman for the issue of \$100,000,000 of
3 per cent treasury certificates to meet
prospective deficiencies. This was fol-
lowed by the defeat of another propo-
sition by Mr. Peffer of Kansas for the
issue of greenbacks to meet the appro-
priations made by the fortifications bill.
Both propositions were offered as
amendments to the fortifications bill
which was passed, thus leaving but one
of the appropriation bills to be acted upon.
Mr. Gorman's amendment developed
an animated financial debate, with
Mr. Sherman and Mr. Gorman as the
main participants. Mr. Sherman re-
sisted the amendment and urged that
the proper step was to pass the Dingley
emergency tariff bill. Mr. Gorman
made an offer to Mr. Sherman that both
sides of the chamber join in a non-parti-
san relief measure, imposing a tax on
tea and coffee, and repaying the rebate
on alcohol used in the arts, which
would be \$40,000,000 to \$50,-
000,000 to the revenues and would re-
duce rebate by \$15,000,000. Mr. Sher-
man did not respond to the suggestion.
The fortification bill as passed carries
\$10,763,888, or \$4,918,051 more than the
house appropriated.

Two years ago he received another dog
bite, from which he suffered little at
the time. Yesterday, however, he was

ever since. While suffering with these
he becomes frantic, foams at the mouth

It is necessary to keep him strapped to
the bed constantly, and death, which is
certain to ensue, will come as a great
relief.

**For President,
Wm. McKinley,
Of Ohio.**

THE three "P's" Protection, Patriotism and Prosperity will follow the nomination of McKinley at St. Louis.

ONE of our exchanges says that Mount is in the saddle and adds that he will "stirrup" things this fall.

LAST week's Democrat went into an exposition of taxes and took as an example Clinton township. The editor of the Democrat and his squad of court house assistants, chose this township, perhaps, because they knew the rate had been

raised there, but they did not state why such was raised nor did they state the matter correctly at all. The Democrat said the taxes levied by the township trustee were 15 cents road tax; 10 cents township tax; 13 local tuition and 20 cents special school, a total of 58 cents and then added:

Last year (for 1894) the township taxes in Clinton township were but forty cents on the \$100 valuation and when he complains about his taxes being higher this year (for 1895,) the Clinton township taxpayer should understand that his township trustee raised them 18 cents on the \$100 valuation.

The truth of the matter is Mr. Slavens, the present trustee of Clinton, has levied but 43 cents. He made the levy of 20 cents special, 13 cents local and 10 cents township levies but did not make any road levy at all as that was made by his predecessor, a democrat. So far his levy is but three cents over that of his predecessor taking the Democrat's figures that Mr. Vermillion's rate was 40 cents (which wasn't the case.) The BANNER TIMES, or Mr. Slavens, the Clinton trustee, denies not that he raised the special school levy from the democratic trustee's figures. It was necessary. In no township in the county of Putnam are there worse school houses than in Clinton and the Democrat editor will find these to be facts if he will visit that fertile region. An entirely new school building is greatly needed and this increase in the fund is necessary. When Mr. Slavens, the present trustee, was in office before (he preceded Mr. Vermillion) he turned his office over to Mr. Vermillion free of debt. When he was elected this last time and succeeded Mr. Vermillion he found a democratic debt of \$230 saddled on the township in the shape of a note because the levies of Mr. Vermillion were not sufficient to meet expenses. This note will be paid by Mr. Slavens before his term is out, and the only way to do this is to raise the money by levy. The 15 cents road tax levied in Clinton township was levied by a democratic trustee, and is five cents higher than any road levy ever before made. Mr. Slavens when it comes his turn to make a road levy next month will reduce the levy to ten cents where it always has been except the last raise. The roads are in no better shape with a 15 cent than a 10 cent levy. The good people of Clinton township are not going to complain over paying for increased school facilities. We suggest the Democrat now go to work on some of the democratic townships where school houses have been built and compare tax levies.

The Breeder's Gazette of Chicago says: S. F. Mr. Lockridge purchased some years ago Baron Lavender 3d 78854, one of the mellowest, thriftiest Cruickshank bulls ever seen in the west. He came from Linwood, and few better hulls were ever sent out by Col. Harris. Many of the cattle to be sold at this sale are the get of this valuable bull. There is also to be sold the young Violet bull Golden Prince 2d, bred by Mr. Dustin from Golden Rule 98268, now at the head of Mr. H. F. Brown's celebrated herd, and out of imp. Violet Mist by Cumberland.

People find just the help they so much need, in Hood's Sarsaparilla. It furnishes the desired strength by purifying, vitalizing and enriching the blood, and thus builds up the nerves, tones the stomach and regulates the whole system. Read this: "I want to praise Hood's Sarsaparilla. My health run down, and I had the grip. After that, my heart and nervous system were badly affected, so that I could not do my own work. Our physician gave me some help, but did not cure. I decided to try Hood's Sarsaparilla. Soon I could do all my own housework. I have taken

GENERAL CONFERENCE.

A Letter from a Greencastle Visitor at Cleveland. To the Editor of the Banner Times: Cleveland, Ohio, May 19.

The alumni of DePauw, together with delegates and visiting members of the General Conference met in the parlors of The Stillman and held an informal social this evening. After some time spent in meeting old friends the company adjourned to Strannahan's ice cream parlors in the Arcade, where all were seated at the tables. Dr. Gobin, president of DePauw, acting as toast master in his usual felicitous manner introduced Dr. Goodwin, Dr. Jackson, Dr. Martin, president of Moore's Hill college, Mrs. Flora T. Laughlin and Miss Donnohue. He then called the roll by classes, in which much enthusiasm was manifested.

A pleasant feature of the evening was when Dr. Gobin introduced Dr. and Mrs. Hickman as a bride and groom twenty-one years old, and presented a superb bouquet of carnations to them from their loving friends with whom they had been associated during the past week in Conference and at the hotel.

After the benediction goodnights were said and we went away feeling that it was good for brothers (as well as sisters) to dwell in harmony and that but few colleges had sent as large a delegation to the general conference as DePauw.

SUNDAY EVENING, MAY 17.

Dr. Gobin preached for the Rev. E. G. Laughlin, pastor of Miles Avenue Disciples church. On that evening Mr. and Mrs. R. S. Tennant and son, of Terre Haute, Dr. and Mrs. Gobin and Miss Donnohue, who has been a guest during the past week, enjoyed the charming hospitality of Mr. and Mrs. Laughlin.

Cleveland is a marvellous city. The people are clever and ambitious and with the great conference of the Methodist church going on, and so many Hoosiers to lend a charm and grace, it is surpassing itself. Last Saturday night William McKinley gave an address on "Washington" and while in subject matter the address was mediocre, the man was grand, and his grandeur was fully recognized by the immense audience. Wednesday afternoon. They were tak-

with the city water mains and the tank
be discarded.

struck Mr. Barnard. The log fell across
his body killing him instantly, fairly
crushing his life out. Mr. Barnard was

of a great convention were carried
through, there being much wrangling
over the silver question and many bril-
liant nominating speeches. They ad-
journed harmoniously after declaring
for sound money and McKinley."

VIOLA CREAM

A lovely complexion only Nature can give. She gives a new clear and soft one to those who use Dr. Hebra's Viola Cream. It is not a paint or powder to cover defects. It gets rid of them, by Nature's own process of renewing the vitality of the skin, banishing all roughness, redness, freckles, moles, pimples, blackheads, sunburn and tan. It does this surely and harmlessly, because naturally. Its use means both skin-beauty and skin-health. Viola Skin-Cream hastens the process, because it is a pure and delicate soap. It should be used in connection with the Cream. It should be used in the nursery, too. Ordinary soaps are not fit for a baby's skin. Viola Cream, 50 cents. Viola Skin-Cream, 25 cents. That Rockville Game.

The Rockville Republican has a fit this week because DePauw won from the "Tigers" and says the game was won on a foul. The Tribune does not cry out so loudly about the foul but it says a few words as follows: "One of the snappiest games of ball playing on the home grounds was between DePauw and Rockville, Monday afternoon. It was a pitchers' battle, as both eight hits were made off Rockville and seven hits off DePauw. It took eleven innings to decide, the winning run being made by DePauw, with no one out. The DePauw team is composed of a gentlemanly set of boys, who put up a game that would win nine times out of ten in their class. However, the general feeling by impartial judges is that the game should have ended in the ninth inning, in favor of Rockville. DePauw was at the bat, and two men were out; two men were on bases, when a ball was knocked over left field fence, which went foul at least three feet. From the grand stand it was plain to be seen, as well as from other points of observation, that it was a foul ball. The umpire, however, called it safe, and by his decision three men crossed the plate, tying the score. It seems to us that Rockville ought to have done better at the bat, but Mr. Pulse pitched winning ball, and it was very difficult to hit him. Whitridge pitched good ball, striking out seventeen men, to eleven struck out by Pulse.

MILITARY COMMENCEMENT.

Rain Interferes with Some of the Chief Events.

The annual commencement exercises of the DePauw Military school occurred today. A heavy rain just before ten o'clock necessitated taking the opening events to the armory of the west building, where the saber exercise and competitive company drills were given before a number of spectators. The evolutions of the three companies were closely marked by Lieut. T. M. Defrees, of Indianapolis and Lieut. S. W. Miller, Purdue university. The young soldiers presented a neat appearance and the companies were officered as follows: Company A, Helm, captain, and Collings lieutenant; Company B, Williams, captain, and Cadwell, lieutenant; Company C, Kuykendall, captain, Cooper, lieutenant. Rowe was captain of the artillery and Langdon lieutenant.

The markings of the company are made on a possible 1000 points and will be given out this afternoon. The maximum grades are as follows: Attendance during year 200; percentage present at comp. drill 100; general appearance and soldierly bearing 100; cleanliness of clothing, arms and equipment 100; school of the company 300; bayonet exercise 100; manual of arms 100; total 1000.

After the necessary indoor exercises at the armory the weather had cleared up and the extended

order drill was given as on the printed program. This drill which closed the morning exercises is one of the prettiest of military tactics and was introduced here last year by Lieut. Lewis for the first time. The volleys and single firing were given with great precision and the drill took up the time until the noon hour.

AFTERNOON PROGRAM.

A large audience assembled at 1:30 o'clock to see the closing exercises of the military year. The review and inspection by Judges Miller and Defrees came first; then battalion drill and special gun detachment drill. The closing act on the campus was the farewell parade, and presentation of target medal. The entire military department as lined up on the campus made a splendid showing.

At three o'clock in the armory in the west building occurred the drill by the DePauw Zouaves consisting of V. W. Helm, leader, J. D. Rowe, pianist, and the following: F. Bacon, C. C. Bassett, G. Cooper, G. S. Darby, L. DeMotte, A. N. Doyle, W. Elkins, A. J. Hamrick, J. W. Harper, R. Henderson, F. W. Hixon, E. N. Hulley, A. J. Kuykendall, J. W. Little, W. T. Poucher, W. J. Sandy, M. C. Vogel, W. M. Volivi, W. H. Williams. This was witnessed by an audience limited by the space of the large room, and the bright uniforms, splendid clock like movements and general good work brought out rounds of applause. Diplomas were awarded the following: V. W. Helm, North Manchester; A. J. Kuykendall, Vienna, Ill.; W. H. Williams and Harry Langdon, Greencastle, B. Rowe, New Middleton and F. Hall, Trenton, Mo. The markings of the judges could not be secured today before press time but will be given tomorrow.

This year closes Lieut. E. M. Lewis' administration at the head of DePauw's military department and at no period has there been more interest and advance ment than under his charge. The equipment is in fine shape and the department is one of the most popular in the university. Lieut. Lewis will join his regiment at Ft. Leavenworth, Kas., but he will leave many friends here which he and his family have made in their stay of the years in our midst.
